THEME . . .

We are about to draw in the anchor of learning that has these four years held us close to books and friends. It is time we are setting our sails and launching out onto the waters of life. We would like to climb up into the crow's nest and gain a glimpse of what the channel holds for us. Perhaps our vision records in our wind a calm, cool course over waters only slightly tinted with soft breezes, others of us might see our schooner on the storm-tossed sea, struggling to keep aright as it breaks over the crest of enraged billows, or we find ourselves pushing our little bark against the racing stream through angry rapids.

As we leave Fountain High School we need not be alarmed at the condition of the waters ahead because our ship is fully prepared to meet and defeat the bitterest storms.

DEDICATION

Mrs. Pearl H. Taylor

The spontaneous vitality and enthusiasm of Mrs. Pearl H. Taylor, well-loved principal of Fountain Grade School for the past twenty-six years, has been an inspiration to all who know her. Modern and up to date in all her ideas, she has always kept abreast of the times. Her guiding hand and sincere interest have guided many students on to successful careers.

It is with deep respect to her contributions and loyalty, that we dedicate the 1948 Trojan.
